

CLUTCH, NEUTRAL, CRINGEY FIGURE OUTER

Step 1-What was the bigger picture? *At Aunt Sue & Uncle Ben's house with the cousins*

My words/behaviors

I played Connect Four with my cousin Madison, even though I didn't feel like it.

Did my words/behaviors give them clutch, neutral or cringey thoughts?

Clutch, because I did a fake out to make Madison happy.

What did they do/say because of their thoughts?

She was happy and Aunt Lisa said that was really nice of me to play with her because she knows I think little kid games are boring.

How I felt about it

*Good and bored because
Connect Four is boring.*

Should I to do anything different next time?

Nope
